\* Products manufactured by MAKEEN Gas Equipment

**MAKEEN Gas Equipment** is MAKEEN Energy's gas equipment division. We offer high-quality components and equipment to the gas industry worldwide, and our selection covers products for LPG, ammonia (NH<sub>3</sub>), cryogenic gases such as LNG, synthetic natural gas (SNG), nitrogen (N<sub>2</sub>) and carbon dioxide (CO<sub>2</sub>), and other industrial gases. In addition, we also offer a wide range of products for natural gas and biogas.

**You don't have to be the expert. We already are!**

**MAKEEN Gas Equipment** is a division of MAKEEN Energy with

more than 70 years of experience in the gas industry. This means that we have the know-how and product expertise to ensure that you always get the right solution.

In other words, no need to worry if you are not sure what exactly you need. **MAKEEN Gas Equipment's** team of experts will help you make the right choice. *Our experience is your security.*

**We deliver the solution you need – fast!**

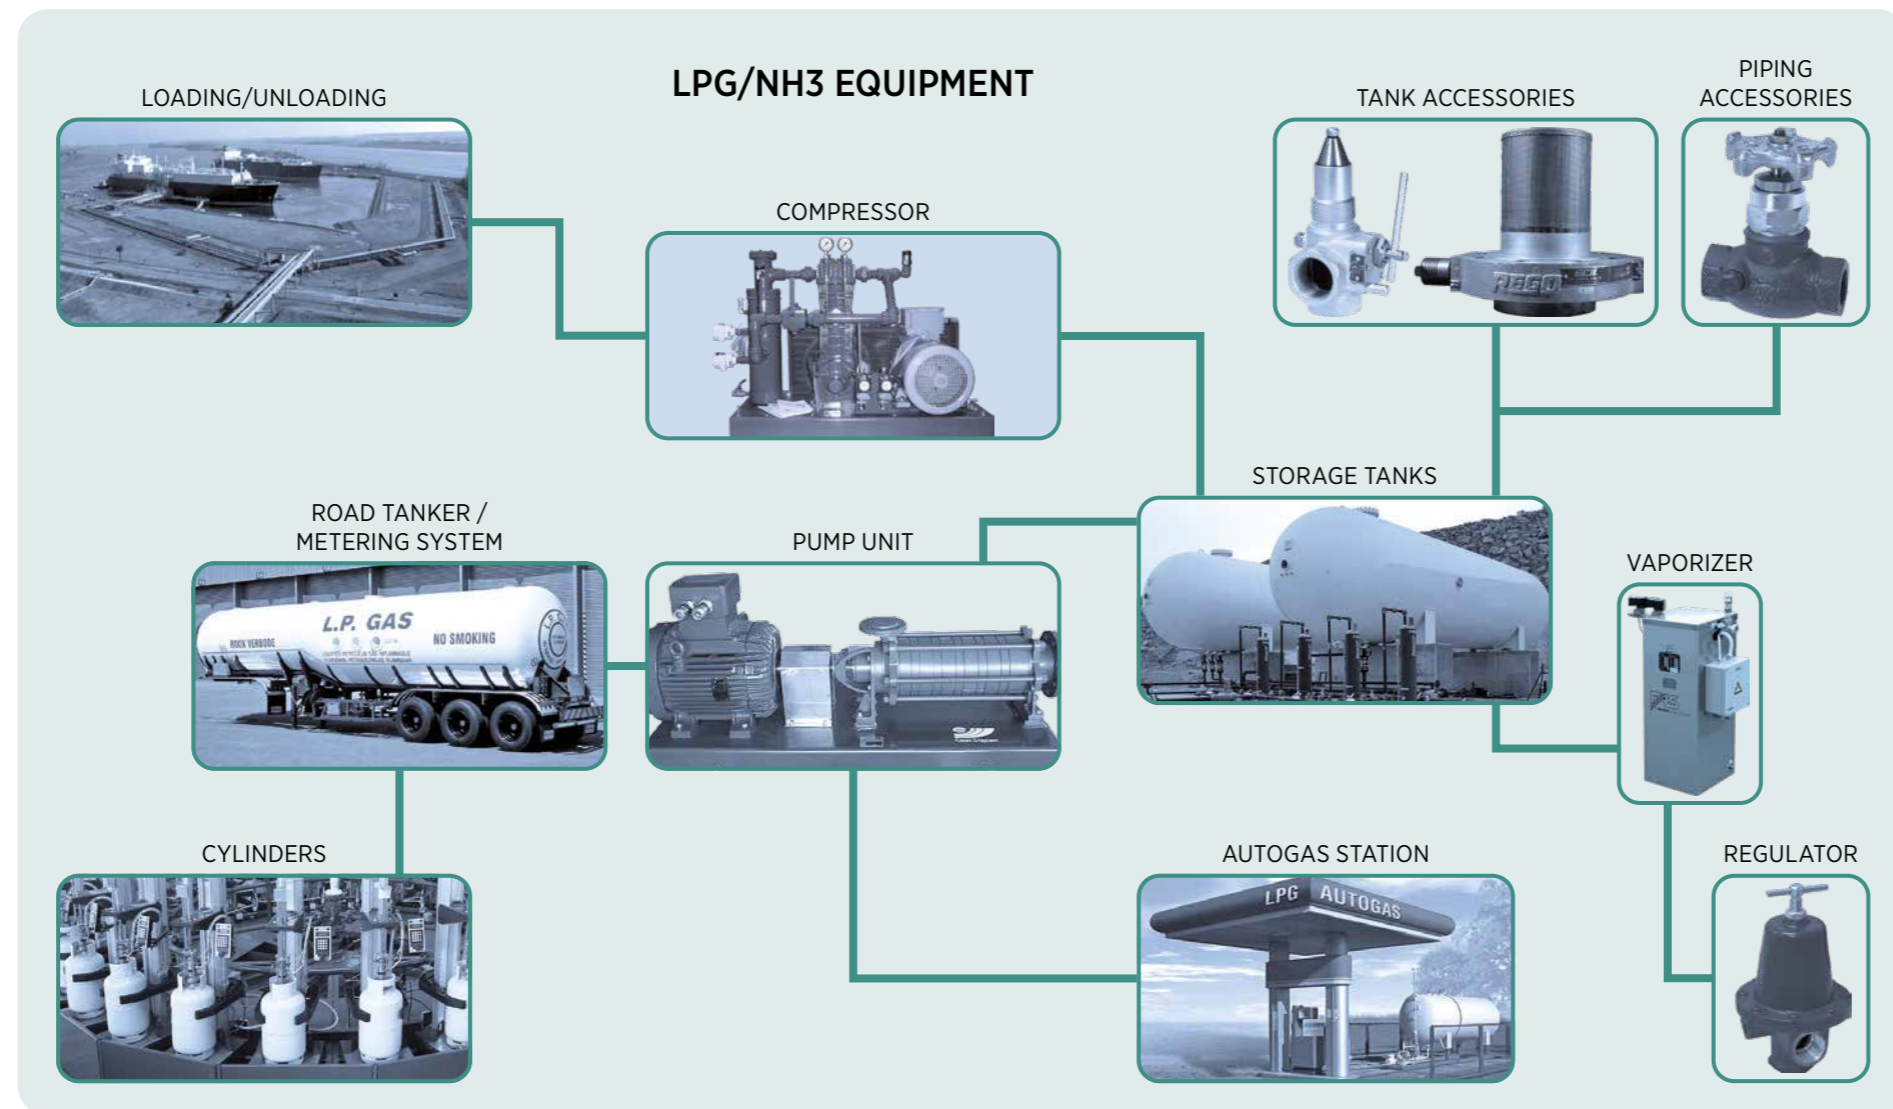

Our extensive network of leading suppliers of gas equipment allows us to offer you high-quality

products for any gas-related purpose at competitive prices; completely hassle-free and with short delivery times from one of our well-stocked warehouses.

**The power behind the brand**

**MAKEEN Gas Equipment** is constituted by a number of well-known companies in the gas equipment industry, each with decades of experience within product sales and customer service; an experience that is your guarantee of making the right product choice – every time.

All companies are part of MAKEEN Energy and supported worldwide by MAKEEN Energy's subsidiaries and an extensive network of agents and distributors.

**MAKEEN Gas Equipment offers you a wide range of benefits:**

- One place to go for any type of gas equipment
- High-quality products from the most renowned suppliers
- Expert guidance on choice of equipment
- Full engineering capability and technical support
- Large stock and quick order handling
- Customised engineering and stocking solutions
- Flexible delivery or one single shipment
